Environmental Scholarship for Indigenous Students

The Ontario Clean Water Agency (OCWA) actively supports educational initiatives and mentoring through various programs and awards. With Ontario colleges and universities, we connect students to co-ops, job placements, and internships. OCWA's Environmental Scholarship for Indigenous Students is a financial award that also provides career building through a co-op work term. One scholarship is awarded annually.

Award: Tuition up to a value of \$2,500.00 plus one paid co-op work term with OCWA.

Criteria: We are looking for proactive, high achievers with demonstrated interest in an environmental field with emphasis on water and wastewater treatment. Demonstrated interest can include previous experience in an environmental setting and/or a statement of strong interest in the environment and water and wastewater fields.

Eligibility Requirements:

- Applicants must be enrolled in or entering an Environmental Studies co-op program at an approved Ontario university or college during 2018
- Academic excellence
- Indigenous descent (*First Nation, Inuit or Métis*). Proof of ancestry may include a status card or Metis card or a letter from an elder, community member or official

How to Apply:

- Follow the directions on the Student Application Form. Be sure to attach ALL required application information and proof of all eligibility requirements.
- Submit your Application Form to your guidance counselor, principal or faculty member.
- Your guidance counselor, principal or faculty member will complete the Recommendation Form and submit to OCWA the application form with supporting material by April 30th, 2018.
- OCWA's review committee will make a decision by the end of May 2018.

From all applications received, OCWA will award one scholarship. The co-op work term will be arranged for the recipient of the scholarship and an announcement awarding the scholarship will be made at a mutually agreed-upon event.
